Re: Potential Scheduling Conflict with April 27, 2001 Special Open Meeting on Sun City Water Company and Sun City West Utility Company Application for Approval of Central Arizona Project Water Utilization Plan, et al. (Docket Nos. W-01656A-98-0577 and SW-02334A-98-0577)

Dear Chairman Mundell and Commissioners Irvin and Spitzer:

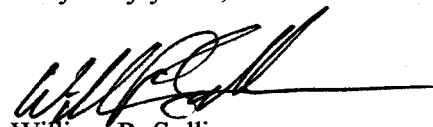

Our office represents the Sun City Taxpayers Association, Inc. ("SCTA") and we have filed Exceptions to the Recommended Order that will be considered at the above-referenced Special Meeting on behalf of SCTA. The undersigned, some weeks ago, acquired non-refundable airline tickets leaving Phoenix at 12:13 p.m. on April 27, 2001, meaning that I must leave for the airport no later than 11:30 a.m. (preferably between 11:00 a.m. and 11:15 a.m.) in order to make the flight. Obviously, the Special Open Meeting was not scheduled for 9:00 a.m. on April 27, 2001 at the time the tickets were purchased.

It is not our desire to delay this matter and we believe the matter is likely to be concluded within two hours. On the other hand, we want to ensure each Commissioner has an opportunity to ask all pertinent questions and to receive all information he deems necessary and appropriate to make an informed decision on the matter. Based on the foregoing, we respectfully request the Commission evaluate whether two hours is sufficient time to hear this matter. In the event the Commission deems two hours to be an insufficient time period to consider this matter, or in the event the hearing extends beyond 11:00 a.m. on Friday, then we respectfully request the matter be continued to a time mutually convenient to the Commission and the parties.

Chairman William A. Mundell  
Commissioner Jim Irvin  
Commissioner Marc Spitzer

We appreciate the Commission's consideration of this request. If you have any questions, please do not hesitate to contact the undersigned.

Very truly yours,

William P. Sullivan
